I. GENERAL

Media are expected to follow the guidelines outlined in this document, as well as the instructions of Nashville SC staff, stadium employees, and security, at the risk of limitation of access or revocation of credentials.

Media credentials and access will be granted only to individuals with a legitimate working function at a match, training session, and event. The bearer must be on a specific assignment. Credentials are non-transferable. Any unauthorized use of a credential subjects' bearer to ejection from the stadium or venue. Resale or attempted resale is grounds for seizure and cancellation.

The following actions may result in seizure of credential and/or ejection of its wearer from the stadium or training facility:

- Requesting autographs at any time
- Taking photographs with players/coaches
- Using credential for family or friends of working media members
- Conducting unauthorized interviews
- Unprofessional behavior (cheering in the press box, consumption of alcoholic beverages, failure to abide by posted rules, etc.)
- In addition to the above, still-use cameras are prohibited within the club's locker room, unless given prior approval. Media credentialed for access to shoot photographs, and video are expected to use professional equipment to file photographic or video accounts.

Covid-19 Protocols

In addition to the club's usual media guidelines and policies, Nashville SC is actively monitoring the evolution of COVID-19 in our area and is following guidance from local health departments and the Centers for Disease Control and Prevention (CDC) regarding large gatherings, including CDC recommendations on preventing the spread of COVID-19.

If you are sick or feeling you are getting sick, we ask that you please stay home. Currently, older adults and persons with underlying health conditions are considered to be at increased risk of severe illness and complications from COVID-19.

Prior to leaving your home and again upon arrival at Nashville SC events, members of the media will be asked to conduct a standardized screening questionnaire. If all answers are "NO" then media members may travel to the gate and enter the facility. If any question is answered "YES" you must stay home and will need to contact your healthcare provider. Temperature assessments will also be conducted prior to entering the venue.

If you are cleared to attend a Nashville SC matches, please keep in mind the CDC recommendations on how to keep yourself and others healthy:

- Wear your mask
- Avoid close contact with people who are sick
- Avoid touching your eyes, nose, and mouth with unwashed hands
- Wash your hands often with soap and water for at least 20 seconds. Use an alcohol- based hand sanitizer that contains at least 60% alcohol if soap and water are not available

Upon arrival to the stadium, please always wear a mask. You will be **required** to wear your mask **at all times** while in Nissan Stadium, per venue policy.

If you have any questions, please email credentials@nashvillesc.com or contact a member of the Communications Department.

Nashville SC will not generally credential media looking to cover a Nashville SC event only for social media purposes. This means someone looking to provide coverage of a match for social media sites not limited or restricted to: Facebook, Twitter, Instagram, etc., will be considered for a press credential on a case basis but in most cases will not be accommodated for a press credential.

Applications: Media must request credentials for matches online at www.sportssystem.com/nashvillesc. All requestors must provide a photo headshot of themselves when seeking a credential.

- **Match Credentials 2021 Season:** Media must apply for match credentials on a match-by-match basis. A member of the Nashville SC Communications staff will send a confirmation email if your application has been approved for the match. Holders must confirm attendance for upcoming matches by emailing communications@nashvillesc.com.
- Requests for single-match credentials must be made via the online form at least 48 hours or (2) days prior to the match. Nashville SC Communications will notify all applicants of acceptance or rejection 24 hours within application to the match. That notice will include parking information and credential pick up information, if necessary. Those who have not applied via the online form will not be granted access.
- **Please Note:** Due to protocols and regulations, only members that have been accepted and received confirmation from Nashville SC Communications will be allowed access to cover the match. Media walk-ups will be denied entry during the 2021 season.

Credential holders: Nashville SC has the right to approve or deny any requests, in addition to reserving the possibility of terminating an All Matches (Season) credential with just cause as outlined under "Club Policies."

Deadlines: The deadline to apply for a Single Match Credential is typically 48 hours or (2) days prior to the match. There is no guarantee that late applications will be accepted.

Pickup: Nashville SC credential pickup will occur on the day of the match at Media Will Call on site of Nissan Stadium which will open approximately two (2) hours before kickoff. Media Will Call is located on the west side of the stadium near Gate Six (6) and the West Club Entrance. Each media member must show identification in order to receive their credentials. An individual cannot pick up more than one credential. All credentials are non-transferable. Professional behavior while in possession of a credential is expected at all times. Any unauthorized use will result in ejection from the event and confiscation of the credential(s).

Media can also contact the Nashville SC Communications Department with questions on the application process directly by e-mail at communications@nashvillesc.com.

Admittance is limited to working media members with valid credentials and is intended for the purpose of providing a workplace for writers, reporters, broadcasters and game personnel. It is imperative that even full-season credential holders notify the Communications Department of their intention to cover a game in order to receive press box seating. Family members and guests will NOT be accommodated in the press box. Cheering will NOT be permitted in the press box. Abuse of press box privileges will result in forfeiture of a credential.

Media may conduct live hits at the top of the section.

The bib serves as a temporary access control device and is a mandatory supplement to the credential and **must be worn at all times** while present at any photo position. Photographers in unauthorized shooting positions or not wearing a bib risk suspension of their credential. Please return the bibs to a photo marshal following the match or leave them at you assigned seat in the photo work room.

Photo marshals: Nashville SC will use photo marshals to assist photographers and videographers, who can assist with questions on location and other topics. ENG/Photo media members are required to follow all instructions given by the photo marshals.
