Girls Check-In Times

August 14th, check-in will begin at 10 am for all girls age groups. Players will receive a tryout number at check-in and will be placed onto teams. During the afternoon session on the 14th, players should plan to be at your playing fields at least 15 minutes prior to the start time. Sunday the 15th, players should plan on checking in at the front of the complex by highlighting their name on the check-in list 30 minutes prior to start time.

What to Wear?

Players need to wear a white shirt with black shorts to tryouts. Players need to bring a ball and something to drink and/or eat.

Tryout Attendance and Expectations

Players should plan on attending every tryout session if possible. If players run into conflicts, they need to communicate this with the ODP staff via email. But the expectation is players attend tryouts on this weekend. Players who are injured will be given a supplemental tryout when healthy later in the year – but still need to register for tryouts in advance.

Final Pools

Each group will vary with final numbers, but in most cases, we will look to keep anywhere from 32-36 players in the final ODP pools. These pools should be announced within a few days after tryouts. Additional players can be added to the pool at any point during the ODP season.

Tryout Format

Each coach will be responsible for their own tryout format, but in most cases, we will give players a good warm-up before each session and will jump right into games. Goalkeepers will have a separate evaluation with our ODP goalkeeping staff on a separate field and will be rotated into games throughout the weekend. We are aware that most high school teams will be starting the following week, so we do our best to make sure players are not over-worked at ODP tryouts.
