

Friendship Cup Check-In Directions and Information

Check-in/Paperwork

Each team will be required to check-in at the headquarters tent at your facility at least one hour before their first game. Below is what we require from each team.

- Medical release form or Player Club Card for each player
- Covid Waiver form, signed by all players, parents of players and staff
- Rosters: See Below

2003, 2004, 2005, 2006, 2007, 2008 Teams: 4 rosters for your games, 16 extra for the college coaches tent. Keep in mind we have over 50 college coaches in attendance so bring extra for the college coaches tent if you would like. Players are also welcome to provide profiles for the college coaches tent

2009, 2010 Teams: 4 rosters (one for each game), 6 extra for check-in tent.

- All rosters must be typed and signed by the Club Director or head coach. (we have included a roster template for those who would like to use this). Each team participating must bring with them a version of their medical release form (medical release form or a player card work). Each team will need to keep at least 4 rosters for themselves in order to give one to the referee before each game. If you have questions about paperwork, please contact me at elyslo@timbers.com.

Trainers

We will have a trainer on site all weekend. Trainers are not there to tape ankles. They are there for injured players so be prepared and have your own materials available for this.

Fields

All fields will have tents, benches and water at all times (depending on Covid-19 protocols in May). Teams are welcome to bring tents with them but you will not be allowed to move any of the Timbers tents during the event or games. The Rec. Center fields are considered some of the best in the state of Oregon and they will be in great shape all weekend.

As always, if you have any questions, please feel free to email or call me at elyslo@timbers.com or 971-404-1574. Thanks and we look forward to seeing everybody in May!

Erik Lyslo
