

## **Portland Timbers Regional Training Center (RTC) Program**

### **What is the Timbers Regional Training Center (RTC) Program?**

The Regional Training Center program, run by the Portland Timbers youth department and partnered with Oregon Youth Soccer Association is a developmental program created to identify and develop future Timbers Olympic Development Program players throughout the state of Oregon and Southwest Washington.

Commonly referred to as RTC, the program is structured with four Regional Training Centers in Portland, and then RTC Identification tryouts outside of Portland and around the state. The four centers in Portland are located in Portland West (Beaverton), Portland East (East Portland/Gresham), Portland North/Vancouver (Delta Park), Portland South (Tigard, West Linn, LO). New this year, RTC identification tryouts will be held in Bend, Eugene, Salem, Medford and other areas around the state. The goal of the RTC program is to identify talented players across the state for players 9-13 years of age while offering additional training to these players with high-level coaching.

By having a regionalized program, travel and expenses are reduced for families while also creating good competition with high-level coaching in each part of the state for players to improve and develop. This process allows the Timbers and OYSA to then identify the top talent in all parts of the state of Oregon and Southwest Washington for future play in the Timbers/OYSA Olympic Development Program.

### **What is Portland Timbers Olympic Development Program (ODP)?**

As players go through the RTC program, the ultimate goal is to be selected to the Timbers/OYSA Olympic Development Program. The Portland Timbers/OYSA Olympic Development Program is a program designed to identify the top youth players in the state of Oregon and Southwest Washington. In ODP, elite youth players throughout the country are chosen to represent their state association, region and ultimately, the United States in soccer competition. ODP teams are formed at the state association and regional levels, made up of the best players in various age groups. At the state level, pools of players are identified in each eligible age group and then brought together as a team to develop their skill through training and competition.

Through a collaborative effort between the Portland Timbers and Oregon Youth Soccer Association, Oregon is a nationally recognized ODP program with a cutting-edge youth development and Academy system. Through ODP, these programs provide an integrated pathway to developing opportunities for the Timbers Academy program, ODP regional pools, inter-regional competition and potentially even National Camp. The Portland Timbers/OYSA ODP mission is to identify, evaluate, and provide more consistent training opportunities for the elite youth soccer players in Oregon. As part of the effort, the Portland Timbers ODP program is dedicated to helping to develop the highest level of youth soccer in the state and Portland Timbers home-grown territories. This objective will be achieved in an atmosphere of integrity, fairness, and impartiality. The player's talent with a ball, their physical and cognitive skills, together with their attitude will be the criteria for entry into the program.

## **Why should I participate in Timbers RTC/ODP?**

The Timbers RTC/ODP gives players the chance at a young age to participate in a major league development program. Around the world, player development starts as young as 5-years old in the top clubs. The Timbers goal is to help maximize the development of players here in the state, with the idea of providing additional opportunities for players. From the Timbers Academy program, to ODP regional camp, to selection for inter-regional competition, to international travel and ODP National camp. Intertwined with these events are opportunities to be seen and evaluated by college soccer coaches also. Timbers RTC and ODP has produced many players who are playing college and professional soccer now and all of these players have enjoyed and appreciated their experiences through the RTC and ODP program.

As shown on the next page in our development pyramid, you will see the suggested pathway for players in the Timbers ODP program. By challenging players in a competitive setting, we are giving players the chance to develop and improve, while creating an environment that challenges them to become better players and move up the pyramid. When players become 15 to 18 years old, according to US Soccer, the elite Academy structure is where all the top talent need to be competing. Our ODP structure is a conduit to that and allows players to be seen by Academy and college coaches. If talented enough a player will be invited into the Timbers Academy, to compete in the MLS Next league. Within the Timbers Academy pools right now, more than 90 percent of these players came through the RTC and ODP structure.

Timbers ODP also gives players the chance to compete for Regional and National team opportunities along with college showcase opportunities. At the end of every ODP season, each state will send their top 18 players to ODP regional camp where players will compete against the top players from each of the 14 western state in the country. From this event, players have the chance at making the ODP regional pool, where player will compete against other regional ODP pools from across the country. Players also have the opportunity to travel internationally on these trips.

And it's no secret that ODP coaches always follow and watch ODP players at any ODP event. We make sure a number of the top Oregon college coaches are a part of our staff as well during the season, so coaches have an up-close glimpse at the top players in Oregon.

## **How does the RTC/ODP process work?**

In order to understand the RTC process, we break it down in to the four age groups with four different structures. Keep in mind the RTC and ODP program is a calendar year program which is in line now with the club age structure. In RTC and ODP, the year you were born is the program you will compete in as shown below. See the age group breakdown below.

## **2009 Born Players RTC/ODP Structure**

The 2009 age groups is run much differently this year. In the past, we have provided one pool in Portland and then pools outside of Portland in Bend, Salem, Eugene and Medford which have eventually created the ODP state pool. For 2021 and 2022, the Timbers Academy staff will run this age group and will conduct tryouts for the eventual ODP team in late fall. All questions can be directed to Rob Zahl ([rzahl@timbers.com](mailto:rzahl@timbers.com)) and Kyle Steinbaugh ([ksteinbaugh@timbers.com](mailto:ksteinbaugh@timbers.com)) if you are a 2009 born player.

## **2010 Born Players RTC/ODP Structure**

If you were born in the year 2010 in any month, this is the pool you will tryout for in your area. The 2010 RTC pool will also look different in 2021-22. In Portland, we will hold tryouts in the Portland West location and the Portland East location, creating two strong pools, instead of four pools in the past. In areas outside of Portland, (Salem, Eugene, Bend, Gorge and Medford), we will hold RTC ID tryouts in the fall and winter for players in these areas, eliminating the RTC training pools we have done for a number of years. The reason for the change is due to a request from the club directors in those areas to reduce the extra training for players who may be already training three times a week, while also simplifying schedules for staff who are working with both RTC and the club.

RTC Tryouts will take place in mid to late-August in the two Portland areas. Training for the Portland pools will take place in the two designated areas on a Friday or Sunday night. Tryouts in areas outside of Portland will occur throughout the fall and winter season in those designated areas. There will be no training opportunities for groups outside of Portland, as per the request of the club directors in those areas. Players are encouraged to tryout with the RTC closest to you. We will not allow players to tryout in two different regions. Each RTC Pool will keep roughly 25-30 players after tryouts. Cuts are made to get us to this number.

The 2010 RTC Portland Pools will train 8-10 times in the Fall with weeks four and eight designated for a combination training or games with the other RTC group. This will happen in Portland only. Each Portland RTC will participate in a classroom session with our Sports Psychologist, ideally in the Fall season as schedules allow. Each RTC player will also go through skills training and a nutrition session.

After the RTC Fall training is completed in mid-November, we will invite a group of players from Portland and the RTC ID events to participate in a tryout weekend in late November for a chance to participate in the ODP Regional Championships in January. We will select a group of 18 players from this invite pool who will attend the tournament. Once the event in January is completed, all Portland players will go back to their RTC Pools and players outside of Portland will go back to their club teams.

In the Winter/Spring RTC season (January-March), the 2010 Portland RTC pools will train 8-10 times and will look to hold the first 2-4 training sessions indoors with the weather being rough during those times. Do know the indoor facilities are very busy this time of year so there is always a chance we are forced to train outside during these times. The goal is to run these sessions indoors though. At the conclusion of the winter/spring sessions, all players from the Portland RTC's and individual invites from the RTC ID tryouts will participate in the RTC Tournament which typically takes place in Eugene, Oregon, March 19-20. The long-term goal for all players in this 2010 age group is to be identified as one of the top players at the RTC Tournament where you will be trying out for the 2010 ODP state pool.

# PORTLAND TIMBERS

The final 2010 ODP state pool will have 32-36 players. **The RTC Tournament is mandatory** for all players who want to make the ODP state pool. Only injured players or players with regional or national team duty will be excused from the tournament, unless cleared otherwise by the Timbers youth staff.

Once the ODP state pool of roughly 32-36 players is selected, ODP players will move on with the state team with a designated schedule and RTC players not selected will receive an evaluation of their play in RTC within a month after the RTC Tournament. ODP players will have a training weekend on the last weekend of spring break before State Cup begins.

After State Cup is completed in April and May, the 2010 ODP State Pool will come back together in May, train and prepare for tournament play in late May/early June. The top ODP players from this age group will then have the opportunity to be selected to participate in ODP Regional Camp in early July, which is a camp made up of the top 2010 players in the 14 Western States. From there, players can be selected to the ODP Regional or National team.

## **2011 Born Players RTC Structure**

If you were born in 2011 this is the pool you will tryout for in your area. We will hold tryouts for this age group with designated tryout times in Portland East, Portland West, Portland North/Vancouver and Portland South.

In areas outside of Portland, (Salem, Eugene, Bend, Gorge and Medford), we will hold RTC ID tryouts in the fall and winter for players in these areas, eliminating the RTC training pools we have done for a number of years. The reason for the change is due to a request from the club directors in those areas to eliminate the extra training for players who may be already training three times a week, while also simplifying schedules for staff who are working with both RTC and the club.

Tryouts in areas outside of Portland will occur throughout the fall and winter season in those designated areas. There will be no training opportunities for groups outside of Portland, as per the request of the club directors in those areas. Players are encouraged to tryout with the RTC closest to you.

We will not allow players to tryout in two different regions. Each RTC Pool will keep roughly 25-30 players after tryouts. Cuts are made to get us to this number.

The 2011 RTC Portland Pools will train 8-10 times in the Fall with weeks four and eight designated for a combination training or games with the other RTC group. This will happen in Portland only. Each Portland RTC will participate in a classroom session with our Sports Psychologist, ideally in the Fall season as schedules allow. Each RTC player will also go through skills training and a nutrition session.

After the RTC Fall training is completed in mid-November, we will invite a group of players from Portland and the RTC ID events to participate in a tryout weekend in late November for a chance to participate in the ODP Regional Championships in January. We will select a group of 18 players from this invite pool who will attend the tournament. Once the event in January is completed, all Portland players will go back to their RTC Pools and players outside of Portland will go back to their club teams.

In the Winter/Spring RTC season (January-March), the 2011 Portland RTC pools will train 8-10 times and will look to hold the first 2-4 training sessions indoors with the weather being rough during those times. Do know the indoor facilities are very busy this time of year so there is always a chance we are forced to train outside during these times. At the conclusion of the winter/spring sessions, all players from the Portland RTC's and individual invites from the RTC ID tryouts will participate in the RTC Tournament which typically takes place in Eugene, Oregon, March 19-20. The long-term goal for all players in this 2011 age group is to be identified as one of the top players at the RTC Tournament where you will be trying out for the 2011 ODP state pool.

## 2012/13 Born Players RTC Structure

The 2012/13 Junior RTC program is for players born in 2012 and 2013. This age group is part of our developmental program where players will participate in RTC training in Portland East, West, South and North. The early training opportunities for these young players is fantastic prep for club and RTC or ODP opportunities in the future and the feedback on this program is very positive. We will hold tryouts in mid to late August for this age group with designated tryout times in Portland East, Portland West, Portland North/Vancouver and Portland South. We will not hold any identification dates for Bend, Salem, Eugene and Medford due to the club directors in these areas asking our staff to hold off with these age groups for now.

The 2012/13 RTC Pools in Portland will train 8-10 times in the Fall with weeks four and eight designated for games with other RTC pools or club teams in the Portland area only if possible. Each RTC will participate in a classroom session with our Sports Psychologist, ideally in the Fall season as schedules allow. Each RTC player will also go through a nutrition and skills training we will track from day one to the last session in the spring. The game focus in this age group will be 7 v 7 to coincide with the Thorns/OYSA developmentally appropriate plan.

In the Winter/Spring RTC season (January-March), the 2012/13 RTC pools will look to train 8-10 times and will look to hold the first 2-4 training sessions indoors. Do know the indoor facilities are very busy this time of year so there is always a chance we are forced to train outside. The goal is to run these sessions indoors though. At the conclusion of the Winter/Spring session in early to mid-March, each RTC will send all players to the RTC Tournament in Eugene, Oregon (March 19-20). The nine RTC pools will then play in a round-robin tournament which also includes some small-sided activities for each player. The tournament is a great way to end the season for the 12/13 age groups. All players who participate in the 2012/13 RTC program will then receive an evaluation of their overall play from the RTC coaching staff within a month after the tournament.

## What is the RTC Tournament?

As we have discussed above for each age group (other than the 2009 group), the RTC Tournament is the end-of-the-season evaluation tournament we hold for the 2010 and 2011 groups and the end of the season tournament for the 2012/13 age groups. The RTC Tournament will take place March 19-20 in Eugene, Oregon. The RTC Tournament weekend always starts with a Friday night Parent/Player/Staff meeting at our host Hotel. The night starts with a great video presentation where parents and players have the chance to see what the Timbers youth program and structure is all about. The weekend also gives our Timbers Academy staff a chance to see players and talk with parents about the future and what the Timbers Academy is. We also bring in some guest speakers and our sports psychologist to chat with the players and parents as well. The feedback from parents and players after this event is always extremely positive. **The RTC Tournament is the one mandatory event for all RTC players who want to be considered for an ODP pool (2010 and 2011). National team duty or injury are the only excused absences.**

As for the tournament structure, we start all age groups with some small-sided activities Saturday morning. This allows our staff the opportunity to break-up players into small groups and force them to play. Goalkeepers have a separate evaluation with our GK staff.

After we complete the small-sided activities, we get into our round-robin tournament where RTC groups either compete against each other in a team format or are scrambled into teams. The winning RTC team is always recognized on the Timbers website and this event always provides a positive experience for players. 2010 and 2011 groups are evaluated by our ODP state staff and ODP rosters will be named on the Tuesday after the event.

There is no expense for players to participate in this event other than a hotel for Friday and Saturday night. The Timbers will set aside a list of hotels for each RTC to use during the weekend at discounted prices to simplify the process for parents who will be responsible for booking a hotel and transportation.

### **Club Conflicts with RTC Training and ODP Training**

As we mentioned above, we will always do what's best for the player and our RTC staff will always encourage the player to attend all league games with their club teams during the RTC training season if the player has conflicts. Our schedule is made to work around club events, but there may be conflicts at times and we always want the players to feel comfortable if they have to miss an RTC session. **The only event in RTC we require, other than at least one tryout, is the RTC Tournament in March.** Once players get to the ODP state team, training is mandatory, and we expect players to be at each event. There are very few ODP events that conflict with club events though. In any case though, our Timbers youth staff does have the final say on excused absences for players or player additions throughout the season.

### **Uniforms**

Part of the Timbers RTC process is the player kit players will receive if they make the RTC Pool. RTC players will receive one training t-shirt, rain jacket, shorts, socks and bag. The Timbers jersey will be provided to the player who make the ODP pool. All RTC gear will be housed at Tursi's Soccer Supply in Portland. Once RTC state fees are paid, we will release gear for pick-up. Our gear cycles run on two-year cycles and we will be in year one of our new sets this next year.

### **Fees, financial aid, paperwork**

Shown on the next page is a fee outline of what to expect from the RTC and ODP process this next season. Please know we offer financial aid to players for a lot of events below. We never want cost to be an issue for a player to participate and we gave out more than \$8,000 in scholarships last year between RTC and ODP. We also offer payment plans to families in case a fee can't be paid in full up front. Scholarship applications will be accepted once RTC pools are formed.

\$500	ODP Regional Camp Fee ( <b>Invited players only by Region IV</b> )	2009, 2010

## RTC Fee Description

- The **\$60** tryout fee is required for all players who tryout for the RTC program in August; there are 3-4 tryout dates for each RTC location and the \$60 covers all of your tryouts.
- The **\$30** tryout fee is required for all players trying out at our ID tryouts in groups outside of Portland.
- The **\$325** covers the RTC Fall program for the 2009 Portland players who are in the Fall Only program along with the ODP Tryout in November and December.
- The **\$425** covers the RTC program expenses for the entire RTC season for 2010-2013 players: This covers 16-20 training sessions, Sports Psychologist, Nutrition Information, Uniform, RTC Tournament for 2010-13 players.

## ODP Fee Description

- The **\$750** is an estimated tournament cost for the January ODP Regional Championships in Phoenix, AZ for 2009 and 2010 players. Only 18 players (2009 players) and 15 players (2010 players) will be selected to this event per age group.
- The **\$285** ODP State fee is for 2009 players only who make the final ODP State Pool: This covers your training and Friendship Cup fees.
- The **\$225** ODP State/F. Cup fee is due from players who make the 2010 and 2011 ODP State Pool: This covers all your training, uniform and the Friendship Cup fee.
- The **\$500** Regional Camp fee is due to Region IV from players who are identified and selected to participate in ODP Regional Camp in early July. You are not required to attend this event.

## Timbers Scholarship/Financial Aid Program

As noted on the last page, we have a scholarship program in place to help those who may need assistance with some of our fees. It's very rare we give out the full amount to anybody for any of our fees above, but we do our best to help everybody if needed in some capacity. Requirements for scholarships are the scholarship application we provide to all players once pools are named along with Income Tax Return statements. Without these documents, we can't help the player out. If you have questions about this process, please don't hesitate to contact us via email.

We also provide payment plans for all of our fees. We understand some of these fees can't be paid for all at once. We also know most families are paying for club fees as well. Our payment plan options will be released this summer, but they typically allow a four-payment plan option for our fees in the Fall and then 2-3 payment options for ODP fees in the spring. Credit cards are required for all payment plans.

## Who and how are Coaches Selected for the RTC and ODP Program?

The State ODP coaching staff will be named for the 2009, 2010 and 2011 age groups by early summer and will be listed on the Portland Timbers website under the Youth/ODP section. The 2009, 2010, 2011 and 2012/13 RTC staff will be named and composed of coaches in each region who will coach the RTC Pools over an 8-month stretch (4-months for 2009 pools) and will be selected by the Timbers Youth Technical Staff with help from the RTC Directors in each region. Each Regional Training Center is composed of the following staff: RTC Director, RTC Assistant Director (if needed), 2010 Head Coach, 2011 Head Coach, 2012/13 Head Coach and a Goalkeeping Coach. There are special situations where we may add another assistant coach or will drop a coach if numbers are too small. All coaches must have the proper licensing or playing experience to be a part of the Timbers programs and are hand-picked by the Timbers youth department.

All ODP staff is composed of some of the top coaches in the state of Oregon. These coaches have the top licenses, have played at the highest levels or coach in collegiate programs. We do our best to make sure we have college coaches on each staff for each age group. All RTC and ODP groups will have a designated goalkeeping staff as well. Goalkeeping is a giant part of RTC and ODP and is often the one piece neglected with clubs and teams. We will provide tremendous training for our goalkeepers.

## What do I need to expect at RTC Tryouts in August?

Each Regional Training Center will hold tryouts in mid-August. Some regions have held tryouts in late August before. We typically designate three tryout dates for each Regional Training Center and some will hold four. These tryout dates typically take place on weeknights as we know the summer months/weekends are very busy. Players are encouraged to attend all tryout dates, but we offer multiple opportunities and stagger these over a couple weeks for a reason, knowing not everybody will be able to attend every session.

Even if you attend one tryout, you will be evaluated enough to have a shot at making the RTC Pool so don't be discouraged if you see a lot of conflicts when the schedule comes out. Players who attend all three sessions obviously have more face-time with the staff which is always beneficial. Tryout dates are typically announced in June/July. Tryout registration will all take place through the Timbers online system with a link you can click on at [www.timbers.com](http://www.timbers.com) under the Youth/RTC section of the website. These are tryouts so players will be cut.

In the past, we have allowed players to attend multiple tryout locations. **This was done for various reasons but we will not allow this moving forward.** The issue we ran into in years past was players who attended two tryout locations, made both pools, and then dropped their spot with one of the RTC Pools leaving us with a hole. Players can tryout in one location this year and again, we encourage you to tryout with the RTC closest to you so you can avoid the unnecessary travel. To help with this, we have included a boundary section for all parts of the state on the next page that explains which RTC location you should tryout with. It's not required you tryout in your designated location, players can tryout anywhere they choose, but again, the program is in place to eliminate unnecessary travel. The tryout fee is \$60 for all players in Portland, regardless if you attend one tryout day or three. The RTC ID Tryouts for players outside of Portland is \$30 a player.

# PORTLAND TIMBERS

## **Regional Boundaries for Tryouts (If you live in this area, this is where we recommend you tryout)**

Below are the listed boundaries for players and regions. Again, players are more than welcome to tryout in a different region if they choose too, but the point of regional training is to cut down on travel.

**-Portland West**-Beaverton, Forest Grove, Hillsboro, West Portland

**-Portland East**-SE Portland, Gresham, Troutdale, Clackamas

**-Portland North/Vancouver**-Vancouver, Camas, Salmon Creek, North Portland, Washougal

**-Portland South:** West Linn, Lake Oswego, Tigard, Tualatin, Oregon City, Wilsonville

**-Salem**-Salem, Keizer, Woodburn, Newberg, McMinnville, Silverton

**-Eugene/Corvallis Pool**-Albany, Corvallis, Central Coast, Eugene, Roseburg (if you choose)

**-Bend Pool**-Bend, Redmond, Sisters, Madras, La Pine

**-Southern Oregon Pool**- Grants Pass, Medford, Ashland, Klamath Falls, Southern Coast

**-Gorge**-The Dalles, Hood River, Hermiston, La Grande, Pendleton

\*If you are unsure on where to tryout, please contact us and we can assist you with this.

## **Playing Up in RTC or ODP**

When trying out, we require all players to tryout with their designated age group. The staff then has the authority to move players up if we feel they would be challenged more at an older age group. Parents do not make this decision, our staff makes this decision. Just so everyone knows, we move players up every year so this does happen and our staff can spot this early. The 2012 group is the only place we allow younger players to play up this year as we anticipate some 2013 players will want to tryout.

## **Training Schedule For RTC and ODP**

The RTC Directors will have final say on their training schedules. We will recommend Friday or Sunday training with all groups. Some weekday training may occur if we run in to field issues or soccer schedules, but we will look to train on Friday or Sunday evening. The benefit of having a Regionalized Program is travel is cut down considerably to the point where weekday sessions, at times, may be necessary. We will also recommend that coaches' train in multiple locations within your region if necessary. Included on the next page is what the RTC and ODP schedule will look like for 2021-22. The schedule is always subject to minor changes as we are given new opportunities during the season to attend different events. Below is a typical training location for each RTC location. This is subject to change.

**Portland 2009 Pool:** Providence Park, Delta Park, Buckman

**Portland East:** Eastside Timbers Complex or Buckman Fields

**Portland West:** Tualatin Hills Recreation Center or Timbers Training Facility

**Portland North/Vancouver:** Delta Park, Harmony Sports Complex, Luke Jensen

**Portland South:** Tigard High School, Lake Oswego or Horizon Christian

## **RTC ID Tryout Locations for Out-of-Town Players Below**

**Salem:** Capital Timbers Complex, Corban University or Willamette University

**Eugene/Corvallis:** Willamalane Complex, Oregon State University, South Albany HS, Crystal Lake

**Bend:** Bend Field Complex, Pine Nursery, Summit High School

**Medford:** US Cellular Complex

**Gorge:** Hood River High School
