

Each month, the PTFC Front Office meets with the 107ist Board to discuss the many aspects that comprise of and reflect the state of the club and its supporters. The conversations can be wide ranging from fan/supporter experience, community projects, business initiatives as well as team updates and insights. There has been a long and successful relationship and the meetings have remained private and confidential to allow for candid and honest conversations. However, we also want to be transparent and forthcoming when it comes to the information shared and discussed with all of our supporters, so we have compiled our monthly notes from the meeting on 5/11/21 below.
