REAL MONARCHS

2021 GAME NOTES

LAST MATCH RECAP

Real Monarchs (4-12-4, 16 points) fell 3-2 to San Antonio FC at Toyota Field on Wednesday night, the first loss to the team from Texas this season.

A goal from Ibrahim Bancé and a late-game own goal were not enough to overcome the deficit.

The home side came out on the front foot and held onto the momentum throughout the first half with a 12-0 advantage in corner kicks earned and almost 60% possession. The attacking pressure paid off in the 27th minute with a goal inside the box from Jose Gallegos to give the home side the 1-0 lead into the break.

The Monarchs found the equalizer against the run of play when Bancé cut back from outside the box and buried a left-footed shot into the back of the net following a pass from Malik Johnson in the 57th minute to bring the match level at 1-1. San Antonio FC recaptured the lead in the 75th minute when Korte Ford brought down a loose ball in the box and pushed it into goal to bring the score to 2-1. Three minutes later, San Antonio struck again, this time on the counter on a shot from Marcus Epps to give the hosts the 3-1 lead. In the dying moments of the match, an own goal on a Monarchs set piece pulled one back for the Monarchs, but the match ended 3-2 in favor of San Antonio.

LAST TIME VS OPPONENT

Real Monarchs (2-6-4, 10 points) fell 3-1 to Colorado Springs Switchbacks FC at Weidner Field on Sunday night. Aris Briggs scored his second goal of the season, but it was not enough to overcome three first-half goals from Switchbacks FC.

Colorado Springs jumped on top early with a goal by Deshane Beckford in the 16th minute followed by a goal from league-leader Hadji Barry in the 22nd. The Monarchs responded by cutting the lead in half with a Briggs' goal in the 28th minute, but Switchbacks FC scored its third goal of the half just four minutes later on a header by Michael Edwards.

The Monarchs pushed to get back into the game in the second half. In the 87th minute, Douglas Martínez was fouled in the box and was awarded a penalty, but Noah Powder's shot was saved and the match ended 3-1.

SEASON STORYLINES

Youngest Signings in Club History

The Real Monarchs will be featuring two of the youngest signings in club history in its seventh season. In January, Real Salt Lake signed RSL Academy product and Herriman City native Jeff Dewsnap. At 16-years-old the goalkeeper became the youngest signing in RSL history and the first-ever Herriman City native to sign for the club. The Monarchs then made 15-year-old Julio Benitez its youngest-ever signing when he signed with the team in March. The midfielder was also an RSL Academy stand-out.

Welcome in the Kiwis

In back-to-back months during the offseason the Monarchs signed the team's first-ever players from New Zealand. The first was 20-year-old forward Max Mata who arrived from Switzerland where he spent time with the second tier of Grasshopper, scoring five goals in 10 matches. The second was 24-year-old Kyle Adams from the Houston Dynamo FC where he appeared in 61 matches for Houston's USL Championship affiliate, Rio Grande Valley FC.

Columbian Trio

As the Monarchs continued to revamp its roster this offseason, the team signed three young players from Columbia. 21-year-old defender Kevin Saucedo signed with the Monarchs after

spending the 2020 season with Colombian Categoria Primera A side Millonarios F.C. He represented Columbia in the 2019 FIFA U-20 World Cup. In January, the Monarchs signed its second Columbian of the offseason in Brayan Gomez. The 21-year-old midfielder played for CDC Atletico Nacional at the U-20 level in Columbia. Internationally, Gomez represented Columbia in the 2017 FIFA U-17 World Cup alongside his Real Monarchs teammate Juan Vidal. 20-year-old Vidal is the third Columbian on the roster this season who joins the club from CF Barranquilla.

Real Monarchs 2.0

2021 marks the beginning of the Real Monarchs 2.0, a new blueprint set by the front office to optimize the roster and promote opportunity and growth within the club. The Monarchs are shifting focus to signing promising young internationals and promoting heavily from the RSL Academy. With eight new international signings joining James Moberg, Sam Brown and Jimmy Slayton, there are now a lot of roster spots available for Academy products to see the pitch and make an impact. Headlined by Benitez, Academy youngsters are expected to make up almost a third of the roster this season.
