

## IN MEMORY OF SCOTT DYMOND

The Scott Dymond College Showcase logo is in honor of Scott Dymond's memory. Scott was the FC Dallas College Director as well as the U-19 Premier coach while he was with FC Dallas. Scott lost his battle with cancer in September 2018.

*“When I think about what Scott Dymond did here and for this community it’s amazing. FC Dallas touches people’s lives in so many ways, but Scott being the College Director here changed the trajectory of many young men and young women’s lives.” -Dan Hunt*

A lot of thought and effort went into the logo designed for the showcase. Each part represents something related to Scott and FC Dallas including:

**Shape:** The College Showcase logo utilizes the FC Dallas crest as the bottom of the logo to anchor the connection between our Academy and Professional teams.

**Stripes:** The red stripes signify each year Scott worked with us. There are eight for his eight years.

**Star:** The star is carried over from the bull in the FC Dallas logo to represent the tie between the teams and future stars.

**Colors:** The colors pay homage to the ones used in the FC Dallas logo
