## Step 4: Choose Your New Section

As shown below, the map displays the stadium sections with available seats. Click on the section(s) where you'd like to view available seats. You will see all sections in your pricing category as well as any higher pricing categories.

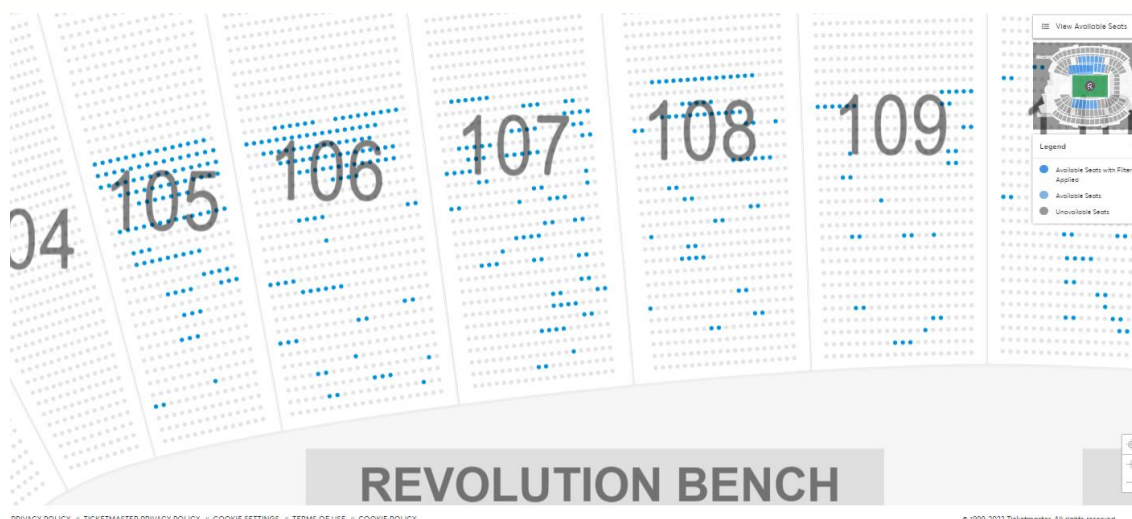

## Step 5: *View Open Seats within a Section*

After selecting the section you'd like to view, available seats will be displayed. If you don't find any seats you'd like to move to, click the map in the lower right or use the scroll feature in the upper right to zoom out to view seats in another section.

*Please note: Given our high annual Season Membership renewal rate, there is a limited inventory of available seats.*

## Step 6: *Select your New Seat Locations*

*Note: You may not leave a single unoccupied seat.*

A screenshot of a web application interface for seat selection. The main area shows a stadium seating chart with sections labeled 105, 106, 108, and 110. Seats are represented by a grid of dots, with some dots highlighted in blue to indicate selected seats. A 'Shopping Cart' overlay is visible in the top right corner, displaying the following information:
