

**POST GAME QUOTES**  
**Saturday, April 8, 2023**  
**L AFC VS. Austin FC**

**DENIS BOUANGA**  
**L AFC FORWARD**

**Opening Statement**

“We really wanted to do a good game after the Champions League because we really wanted to at home to start again after the Champions league.”

**RE: on being part of something so special**

“I feel really good now and because of the team I can perform that way.”

**RE: on being in a special run with his teammates**

“It’s a magical run because it’s not given to everyone and I am really happy to share that with the people who come to see the games.”

**RE: on his style being a good fit with L AFC**

“At the beginning of the season, the team made me, L AFC has really made me, but also the fans - the 12th man as we say in France - and I am doing it for them and for the team, every game.”

**RE: on the feeling of having the crowd behind him**

“I can tell I feel it every time I have the ball and every time I want to do something, I feel the fans, and it makes me want to do even better with scoring or passing a good ball.”

**RE: how he’s taking advantage of the teams that he plays**

“The whole week I am watching how they play, how they defend, so I am trying to get their space and their weaknesses and I am taking advantage of it.”

**RE: on his plan to be able to score**

“I already know who the players are on defense, I just am playing what I studied during the week. I am creating the space and because of the team, I was able to score three goals today.”
