MLS NEXT High School Waiver

MLS NEXT players currently registered with an MLS NEXT Club are expected to forego participation in high school or middle school soccer. MLS NEXT recognizes, however, that there are certain players who receive financial aid dependent on, or were accepted into a private high school based on, their participation with the high school soccer team.

Players who are receiving such financial aid or were admitted based on that condition are eligible to complete this MLS NEXT high school waiver to request that Player Development, L.L.C. ("PDev"), which organizes, manages and administers MLS NEXT, permit simultaneous participation in MLS NEXT and the high school soccer team.

All waiver request forms must be signed by both the high school principal, MLS NEXT Club's Director, and the player's parent/guardian before being submitted via the MLS NEXT portal ([High School Waiver Application](#)).
