RE: Scoring goals after a drought

“We got to rest a lot. I think it was good for the team and myself so that’s why we came back stronger and scoring.”

RE: Playing at the Rose Bowl again

“I love to play in big stadiums [like the Rose Bowl]. I really hope a lot of fans will be there and I hope we can get the win in front of them.”

RE: Scoring four goals without Carlos Vela

“We are a team without a lot of good players and young players. Even without Carlos [Vela] it shows that we are really strong and any player can show up and score.”
