DENIS BOUANGA
LAFC FORWARD

RE: Ryan scoring the same number of goals today as Denis

“Ryan is really good offensively and defensively but I am not too worried about Ryan scoring more goals overall.”

RE: How it feels scoring on that set piece

“On that opportunity we have been training those set pieces. We had the opportunity to cross but I saw a shooting lane so a bit of luck got in the way there and it worked out really well for us.”

RE: Winning the Golden Boot and what it means

“I am super happy to have received the honor tonight. I know I was going to receive it beforehand, so I wanted to do something special in order to receive it. By scoring two goals I was able to underline getting the award. It really comes down to putting in the work and getting result.”
