# STEP 1:

## ADDING YOUR PASS TO YOUR WALLET

New this year, we are excited to offer a more convenient way to access your Revolution Season Member amenities at Gillette Stadium. The Benefits Pass will be delivered to your mobile wallet (Apple Wallet for iPhone users or Google Wallet for Android users), so that you will always have access to it.

You can use your Benefits Pass at the Gillette Stadium ProShop for your 15% off in-store discount, at the Gillette Stadium Lighthouse for complimentary entry, at the Patriots Hall of Fame presented by RTX for free admission, and access to special discounts and offers from select Patriots Place retail and restaurant locations. Each Season Member is provided the same number of Lighthouse and Hall of Fame passes as season seats on the account.

To use your digital pass, just hold the top of your iPhone or Android smartphone near a pass reader to check-in and redeem your benefits.
