LAFC vs. New York Red Bulls

TIMOTHY TILLMAN
LAFC MIDFIELDER

RE: Team's mentality playing from behind

"The tie tonight is very important for our minds and confidence. It felt like we didn't give away too many chances to New York so if we lost this game, it was going to be a tough night for all of us but we are happy with the tie in the end. We still wanted to win at home."

RE: On the midfield's play overall, Mateusz Bogusz's performance and not having Eduard Atuesta in this match

"I think we have enough good players in our squad that we can replace anyone. But still, [Mateusz Bogusz] didn't play a lot as an eight this year but he did a good job. I think all of us showed a good mentality, which was very important in the second half."

RE: Playing back-to-back home matches

"It's very nice for us just to always play at home. We really enjoy it, the crowd is amazing. We have a lot of confidence playing at home."
