LAFC MIDFIELDER

RE: Overall thoughts

“I am very happy that we got the three points today because it is very important. We have won the last four games so we will keep going and of course now we focus on Wednesday because now we will play every three days. I am very happy I can help the team with my goal and I will stay continue working to score more goals”

RE: 100th regular season in history and being part of the history

“It’s huge and I am very happy I can be apart of this success. Let’s go for 200.”

RE: The red card foul with Guzan

“I made the run, the ball was a little but too long but I followed to the end and was fouled and ended in a red card [for Guzan]. It was turn based on the structure of the team and I used it so again, the next free kick is mine.”

RE: What this win means with two matches coming back home

“Every three points are important, especially away. It always more difficult to win away so we are very positive and cannot wait for the next game.”
