LAFC vs. Minnesota United FC

MATEUSZ BOGUSZ
LAFC MIDFIELDER

RE: Overall thoughts

"I am very to get the three points. Let's keep going and finish good Saturday before the break."

RE: Adapting to freedom on the field

"I started feeling better, of course. Those first couple of games was bad thing but we have already played 15 games so for me it does not matter if I play a nine or an eight because as a nine I have more freedom, I can go under Denis or come in from behind. I really like this but at the moment it does not matter where I play."

RE: Potentially getting called up the national team

"It is not my decision but I just come to the field every week and do my best scoring goals and giving assists and just be patient. Maybe the opportunity will come in September, next year? I don't know. I need to be patient. Its hard because I really want to go. It's the next step in my career. I just need to keep working."
