### DENIS BOUANGA

#### LAFC FORWARD

##### **RE: On tonight's performance...**

"The whole team played very well. We used all of their weaknesses and we hoped to score a few more goals and to have more players on the score sheet."

##### **RE: On performing well during League's Cup...**

"It's a league where you play every three days, so there is no time to think about it. You just give it all every three days and I am eager for Tuesday's game already."

##### **RE: On playing with Christian (Olivera)...**

"I like to space and to play with Christian and Mateusz (Bogusz). Their transitions are quick and it is easy to play with such players that have easy transitions."

##### **RE: On the importance of winning a group stage match...**

"It gives us a lot of motivation and it shows everyone that we are here."
