**DENIS BOUANGA**  
**LAFC FORWARD**

**Re: On advancing to the next round in Leagues Cup:**

“It’s a good thing for [LAFC]. We were playing at home and we’re waiting for next round to play at home, too.”

**Re: On if he has any preference on who LAFC plays in the next round of Leagues Cup:**

“No preference. Whoever is coming, we’ll win that game.”

**Re: On the importance of his goal to open the scoring and the team closing out another match at home:**

“We could see that they were waiting for us. They were afraid of us to score first. So it was great. Then after, we just had to wait to score the second goal and close out the game.”

**Re: On Hugo Lloris’ assist on his goal, and if he’s started to expect that pass from Lloris**

“We worked this week with Hugo [Lloris]. I was waiting for his assist, so I was prepared. I anticipated and I scored. That’s why I went to congratulate [Lloris] after my goal.”
