**LAFC vs. Colorado Rapids**

**LEWIS O'BRIEN**  
**LAFC MIDFIELDER**

**RE: On home debut and goal:**

“I’ve kinda said over the past couple of days that I don’t score many goals. I’ve come in more to secure the defense a little bit, but to come to the homestead and score my first goal is a massive thing.”

**RE: On the 3252**

“They’re fantastic, I’ve never seen a fan base that sings the whole way through the game, but they’ve definitely come and support and be the 12th player definitely.”

**RE: Thoughts on coming into this group and getting to know them**

“It’s definitely a family-oriented club as you can see after the games they’re allowed to bring the children onto the pitch and stuff. I think it’s great, from minute one I’ve felt like I’m at home and I think that helps us to play better football.”

**RE: How does it feel to make a final?**

“Fantastic. It’s my second one in my career, the first one didn’t go very well, but I heard there’s some unfinished business between LAFC and Columbus so hopefully we can turn the result around from last season.”
