**LAFC vs. STL City SC**

**OMAR CAMPOS**  
**LAFC DEFENDER**

**RE: The defense not allowing shots on goal**

“We have worked all week on defensive aspects where we needed to improve, and I feel like today it replicated on the field with them not having a shot on goal.”

**RE: How big the victory is with just three games left**

“Big win for us to continue pushing ahead. Yes, Galaxy also won, but we are just focused on ourselves to obtain the most points possible to stay in the top spots.”

**RE: How much confidence the defensive with Hugo Lloris in goal**

“A lot of confidence. He’s a keeper that is a world champion and knows what we need to do. Obviously, all of us defensively have a lot of confidence because he talks to on areas he knows and where we can improve.”
