RE: How the win feels

“I think we are all just very happy. We are happy to give something back to the club, to the fans. They have been suffering a lot. We love it right now. it’s a great feeling and I hope we will continue.”

RE: Turnover leading to the goal and the team responding

“I unnecessarily lost the ball. It was very dangerous, very risky. I am happy the boys helped me out. We came back together as a team. I’m super proud of everyone who played, everyone in the club and all the fans.”

RE: Building off this win and taking it into the regular season

“This will give us a lot of confidence for the last couple of games. We got a title this season, which will help us going into the last stretch of the season. We are looking forward to a great end.”
